Special Inspection Certificate

Project Name:	Date:
Project Address:	Permit No:

Sections 1 & 2 must be completed and the original document returned to the Building Safety Department for review and approval of the persons performing the Special Inspection(s) prior to issuance of the Building Permit. A photocopy of the approved certificate will be given to the permittee at issuance of the permit. The Special Inspector will complete Section 3 and that original submitted to the Building Safety Department prior to the issuance of the Certificate of Occupancy.

SECTION 1 – Owner’s delegation of authority for Special Inspection

In compliance with Section 1704.1 of the 2015 International Building Code, I do hereby delegate the following registered design professional (architect / engineer) to be in responsible charge of the Special Inspections on the above project.

Architect / Engineer Name:	Owner Signature:
----------------------------	------------------

SECTION 2 – Registered design professional responsible for Special Inspection

I hereby affirm that I am familiar with the design of the above project and assume responsible charge for executing the required special inspection(s). The qualified individual(s) listed below will be the special field inspector(s) under my direct supervision and will be on the job site to render competent inspection(s). These special inspections will be performed in addition to those inspections required by Section 109 of the 2006 International Building Code. Inspection reports documenting the special inspection(s) and the correction of any discrepancies will be filed with the Building Official.

SECTION 3 – Statement of Compliance for Special Inspection

I hereby affirm that, to the best of my knowledge, the requirements of the approved design for which the special inspection(s) were required by Sections 1704 and 1705 of the 2015 International Building Code have been complied with. A guarantee that the building has been constructed in full accord with the plans and specifications is neither intended nor implied.
